WELCOME!

Welcome to Gilmer County , home of Glenville State College in Glenville, the county seat, and The West Virginia State Folk Festival! It is with great pleasure that we invite you to use this Guide. Our intent is to put into your hands an easy-to-use reference to help you locate businesses and services located in Gilmer County. They are listed in alphabetical order in the first section, and by categories in the second. Emergency and government numbers are located in the back of the book.

We have tried very hard to include all the businesses and services, but we understand that it is likely that some may have been missed. If that is the case, we sincerely apologize. If it is your business that has been omitted, please contact the Gilmer County Economic Development Association office at 304-462-8098 so that your business is included in the next issue.

If you would like to become a member of the GCEDA, you are encouraged to do so at any time. Fees are reasonable, and we welcome participation from all members of our community here in Gilmer County.

Gilmer County Economic Development Association Board Members

David B. Millard – President

Jeff Campbell – Vice-President

John Bennett – Treasurer
